

Gwich'in Settlement Region Contacts

Send a letter and your Wildlife Research Permit Application Form to the regional contacts and to contacts in communities closest to your proposed project area. If in doubt, be inclusive. Please use email, mail or a facsimile for non-government contacts.

If your project will take place in more than one region, please be inclusive and contact organizations in the additional regions.

GNWT Contacts

Government contacts will provide general comments and recommendations on your project proposal and the consultation process.
